

The students were asked to review a book in Marathi language written by Mr. V.S.KHANDEKAR. "YAYATI"

Yayati, composed in the Marathi language by Shri Vishnu Sakharam Khandekar, was published in 1959. In this novel, the author has tried to show a mirror to society by looking at the life of King Yayati, son of Chandravanshi King Nahush, in the context of present times. The novel was awarded the Jnanpith in 1960 and the Sahitya Akademi Awards in 1974. The context has undoubtedly been taken from the legend, but the portrayal style of the author will make you think that 'Yayati' has become every man today. Khandekar Ji has also included parts of fiction in the composition, so it becomes necessary to read this novel and what is new in it that we do not know. So let's find out.
