We collect the feedback from the different stakeholders in printed form. Student's feedback are obtained at the end of the academic year. Feedback committee looks after the work and analysis the data achieved. Student feedback on teachers are distributed among the teachers and asked to analyse the data, draw the conclusion and submit to the feedback committee. The committee compiles all the reports and present before the college authority. The feedback report is thoroughly discussed in the staff meeting. Suggestions given by stakeholders are taken seriously. The college prepares its plan of action keeping in mind those suggestions and tries to fulfil their demands. Their feedback is utilized for the quantitative and qualitative development of the college and teacher.
